Subject: Support for changing the distance requirements for wine shops

Dear Councilmember Noecker,

The West 7th / Fort Road Federation (Planning District Council 9) spoke with Stephanie Harr, CM Prince's Aide, about the proposal for changing the distance requirements for wine-only off-sale stores from one-half mile to 300 feet away from other off-sale establishments. After discussing the issue with each other and with Stephanie, the Board voted to support the change.

The motion to support the change passed with two abstentions and the remainder in favor of the proposal. If you have any questions, please call or email our office.

Sincerely,

***Dana DeMaster***
