I sent in an email and called twice regarding this assessment. I've sent in pictures and I never was contacted back.

I was unable to make the assigned time for the "hearing/meeting" because I couldn't get off work. They NEVER do anything to the alley. My neighbors are all upset also at this outrageous fee when our alley hasn't had any repairs in years. I have rattling under my car from driving in this alley.

If I'm going to pay such a huge fee, they should at least repair the alley.
