I regret that due to health reasons, I am unable to attend this hearing.

PLEASE do not allow alcohol to be served at this location. There are other bars that people may choose on Payne Avenue. It has been helpful and quieter since Yarusso's closed at the corner of Payne & Maryland Avenue. There were a lot of troublemakers who came there from outside of the neighborhood and fear the same would happen at this location, causing even more police calls to the area.

From a Homeowner here for 27 years, please reconsider this. I own a duplex here and it is impossible enough already to attract decent tenants to this area. Another bar will not help.

Thank you.
