Re: Remove or Repair 1333 Margaret Street

Dear Mr. Larson:

Ms. Moermond and Mr. Manger have reviewed the work plan that was sent via e-mail and find it to be in order and acceptable. After reviewing the financial documentation, it appears that you have adequate financing for the rehabilitation of this property. Ms. Moermond is requesting you provide her with an affidavit or written commitment indicating that you plan to dedicate at least \$25,000 for this project. Our office will need to receive this from you by the end of business on Monday, March 17, 2008. The fax number is 651-266-8574.

If you have any questions, you may contact me at 651-266-8561.

Sincerely,

Vicki Sheffer, Secretary  
Legislative Hearing Officer
