The screenshot shows a Facebook event page for "Jibba's HOUSE Fashion SWAP". The main image is a wide-angle shot of a large, industrial-style warehouse with a high, dark wooden beam ceiling and concrete floors. The space is filled with people and tables covered with clothing items, including shirts, pants, and bags. Some people are standing and talking, while others are looking at the items on the tables. The lighting is a mix of natural light from windows and warm, string-like overhead lights. On the right side of the page, there is a text overlay from the event page:
