PARCEL: 352923410227

APPLICATION DATE: 04/15/2026
EXPIRATION DATE:

SQUARE FEET: 0
VALUATION: \$0.00

DESCRIPTION: Installation of a 76' temporary pole to provide T-Mobile service during the construction of a new tower at Pilgrim Baptist Church. Due to the Church's needs, the tower cannot be placed in a location that complies with the tower height + 38' residential dwelling setback. Therefore, we are requesting relief via an IUP. Note the pole includes multiple antenna levels which provides for an extension above the standard 75' height limit.
