Hello, my name is Tim Mahoney, and live at 395 Cretin Avenue South, and my business is located at 428 St. Peter in Downtown. I strongly support the Saint Paul Public Works Department recommendation for the Capital City Bikeway to be located in Wabasha Street. I ask the City Council to support the resolution locating the Capital City Bikeway on Wabasha Street as recommended by the Public Works Department. I appreciate your comments and work on this. Thank you. Tim Mahoney, my email is TimMahoney@TheLoonCafe.com. Thanks again.
