RECEIVED IN DSI

To whom it may concern:

2013 JUN 10 AM 10:03

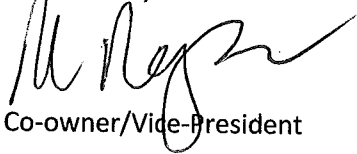

This is a formal letter to The Saint Paul Department of Department of Safety and Inspections from The Neighborhood Café, Inc. Located at 1570 Selby Avenue, Saint Paul, MN 55104. We hereby request that a Liquor – Outdoor Service Area (private Patio) and Liquor Outdoor Service Area (Sidewalk) licenses be granted and added to our existing licenses. Our hours of operation on the patio (in regards to serving beer and wine) will be on Mondays from 8:30 a.m. until 3:00 p.m., on Tuesdays through Thursdays from 8:30 a.m. until 9:00 p.m, Fridays and Saturdays from 8:30 a.m. until 10:00 p.m. and on Sundays from 10:00 a.m. until 3:00 p.m. There will only be tables for dining on the patio in back and sidewalk patio in front of the restaurant and these areas will not include a bar of any kind or any other station for serving or pouring beverages – that all will be done inside the restaurant. Beer and wine will be served within the laws and rules applying to both the existing licenses and patio licenses. We shall provide, if needed and or requested, personal phone numbers to all residents and property owners within 300 feet, in order to diffuse any issues regarding noise complaints in the neighborhood. However, we do not foresee excessive noise being a problem since we are not a bar or night club that serves a high volume of alcohol. In fact, are alcohol sales are generally below 20% of our overall gross sales.

Please consider this letter as our application for the stated license along with the petition signatures that we have included, signed by our neighbors within 300 feet. We were not able to get 100% of the signatures but consider this letter as a demonstration that we made a good faith effort to contact all of the names on the list provided by DSI and to fulfill all petition requirements. The property owners that we were unable to reach either were not home after more than one attempt, unavailable when contacted by phone, or we were not able to locate the owners whatsoever.

Thank you.

Sincerely,

Michael Noyes
