

STATE OF MINNESOTA JOINT POWERS AGREEMENT

This agreement is between the State of Minnesota, acting through its commissioner of agriculture ("State") and City of St. Paul ("Governmental Unit").

Recitals

Under Minn. Stat. § 471.59, subd. 10, the State is empowered to engage such assistance as deemed necessary. The State is in need of removal and proper disposal of suspected emerald ash borer (EAB) infested ash trees and portions of trees in the City of St. Paul. There are ash trees that will require sampling during the non-flight season for emerald ash borer, to contribute to a study on detection methods for EAB. The Department of Agriculture has received a grant from the Environment and Natural Resources Trust Fund with funding to reimburse the City of St. Paul to perform this needed service.
