Amy

Thanks for the report regarding Dave Brook's "Glass Block Debacle". As a property owner and preservationist in Lowertown I feel that anything constructed with glass block is inappropriate.

The building was any eyesore when his Partner purchased it, and letting Dave Brook's add his cheap touch ups will only make matters worse.

Bob,

Attached is the staff report that was presented to the HPC and section C. provides a fairly comprehensive background on the whole process and HPC involvement. Feel free to respond to this email in writing and I will make sure it is part of the public record.

Thanks, Amy
