Date: Friday, May 14, 2021 10:05:17 AM

Dear St. Paul City Council,

This email serves to affirm that we have received the notice of variance for the Dual Citizen Music Series.

Grotto Company LLC has absolutely NO concerns about the sound level for the Dual Citizen Music Series. In fact, we support Dual Citizen and their Saturday Music Series. Dual Citizen has been a terrific neighbor and a wonderful asset to St. Paul. The team and owners as well as their clientel are always good neighbors.

We absolutely encourage them to have MORE Of these music series.

Thank you for the notification. We ask you to grant the variance.

David and Martha Sewall
