Subject: 905 Maryland Ave -Legislative Hearing Compliance

Good Afternoon Ms. Moermond,

I was called to complete an reinspection of 905 Maryland Ave, owned by Cheryl Golden. I have found the second floor storage issues to have been addressed. Combustible storage had been reduced by nearly one-half, overhead storage had been lowered well within acceptable height, and the remaining storage in an orderly manner.

I wish to inform you of her compliance prior to the November 20th, 2020 completion date set at the last Hearing. Let me know if you have any questions or concerns.

Sincerely,

Jim Perucca, CFI
