Re: **Encroachment Permit Request**

Permit# 13-0783

FOR: Sump pump pipe

LOCATION: in front of 1776 Yorkshire Ave.

REASON FOR REQUEST: avoid drainage onto sidewalk

DATE DUE BACK: July 31, 2013 to submitting department.

Your comments here:

Homeowner received a letter from DSI stating that he must deal with the sump drainage.

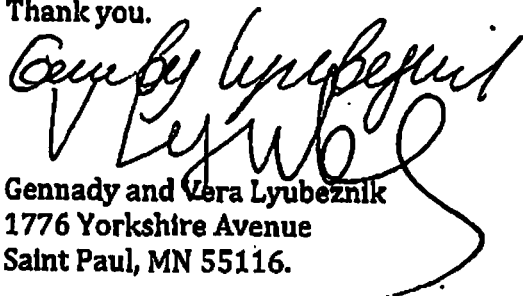

23 July 2013

Ms. Terry Vasquez
St. Paul Public Works
1000 City Hall Annex
25 W. 4th Street
St. Paul, MN 55112

Dear Ms. Vasquez,

Our sump pump currently drains in the middle of our front yard and the water goes onto the sidewalk, which we find undesirable. We would like to extend the pipe underneath the city sidewalk so it would drain onto the grassy area between the sidewalk and the curb and thus would not make the sidewalk wet. We are requesting a permit to do this.

Thank you.

Gennady and Vera Lyubeznik
1776 Yorkshire Avenue
Saint Paul, MN 55116.

Site plan For sump pump extension
