Subject: Cleveland Ave Bike Lanes

Dear Chris and Council,

I wanted to send a note expressing my support for the bike lanes on Cleveland Ave and more importantly the recommendation by the community working group that was set up in June of last year. The working group came up with some much needed recommendations to help ease concerns with regards to parking in addition to choosing Cleveland.

I look forward to your support for this important corridor tonight and thank you for all that you do.

Sincerely,

Jeff Zaayer
