My name is Jemal Omer Tahiro

License ID #: 20100001850

I am writing this letter to proceed with the 2<sup>nd</sup> option of the letter i received regarding intent to revoke my Taxicab License which is admit the fact but contest the penalty. I want hearing city coun<sup>cil</sup>

The fact is that i plea guilty to 5<sup>th</sup> degree assault at Ramsey county for a probation of one year, and the court didn't clearly explained to me about the consequences. My intention was to put aside and move on.

The fact that i was threatened by a femal passenger on may 18, 2015, because she didn't have any money.

1, She was hitting my seat while i was driving

2, She was hitting me even when i was talking to 911 dispatch.

3, She tried to break the small box in between front seat my cab.

So i took the following steps for our Safety

A - I immediately look for a busy street to pull over, so i pulled over at the corner of Dale St and Sibley Ave.

B - I Called a police right away.

C - She was offensive, abusive and disrespectful even when i was talking to 911 dispatch. This should be available in my file and i think i

6-23-2016  
Should be able to present it ~~my way~~  
if you want me too.

Finally after i ask her just  
to get out of my cab for like seven (7)  
minutes or so, she got out with my  
back bag. I tried to get my back bag  
from her and we struggled for a cou-  
ple minutes, and then she throw away  
my bag. I ~~for~~ picked up my bag and  
go back in the cab and left.

I am someone who cares about  
my job, and i am not abusive  
person. I treat all my clients with  
respect. Everything i did was right.  
I truly hope that you investigate  
and find the fact and consider ~~to~~  
Not to revoke my license.

Thank you in advance  
Jmal Tahiro
