RE: Tobacco Shop & Liquor Off Sale license held by 7 White Bears Liquor Llc d/b/a 7 White Bears Liquor for the premises located at 1785 7<sup>th</sup> Street East., in Saint Paul.  
License ID #: 20170000483

Dear Licensee:

The Department of Safety and Inspections ("DSI") has recommended adverse action against the Tobacco Shop & Liquor Off Sale license held by 7 White Bears Liquor Llc ("Licensee"). 7 White Bears Liquor located at 1785 7<sup>th</sup> Street East ("Licensed Premises").

**Legal Basis for Action:**

Saint Paul Legislative Code §310.01, defines Adverse Action as:

"the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee, or applicant for a license. Adverse action includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. Adverse action also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license."

Saint Paul Legislative Code §324.07(i) prohibits the sale of tobacco products to a person under 21:

"No holder of a license issued under this chapter, nor any employee or agent of same may sell tobacco products to a person under the age of twenty-one (21) years. Sale to persons under the age of twenty-one (21) years is prohibited."

Saint Paul Legislative Code §310.03 (m) 3 contains the Tobacco Presumptive Penalty Matrix and computation guidelines for tobacco related violations:

**3. Tobacco Presumptive Penalties Matrix** – *Tobacco Presumptive Penalties*. Penalties for convictions or violations are presumed to be appropriate for every case; however, the council may deviate therefrom in an individual case where the council finds and determines that there exists substantial and compelling reasons making it more appropriate to do so.

Type of Violation	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>
(1) Sale to a person under twenty-one (21) years of age.	\$500.00 fine	\$1,000.00 fine	\$2,000.00 fine and 7-day suspension	Revocation

- (a) Computation of time for violations under the tobacco presumptive penalties matrix. If a violation is not covered under this penalty matrix, the general presumptive penalty matrix should be used. Except as otherwise provide by Minn. Stats. §461.12, subd. 2, subsequent tobacco violations are subject to the following:

Saint Paul Legislative Code §310.14 makes a licensee responsible for a violation by a clerk, employee, manager or agent of a licensee:

"Any act or conduct by any clerk, employee, manager or agent of a licensee, or by any person providing entertainment or working for or on behalf of a licensee, whether compensates or not, which act or conduct takes place either on the licensed premises or in any parking lot or other area adjacent to (or under the lease or control of) the licensed premises, and which act or conduct violates any state or federal statutes or regulations, or any city ordinance, must be considered to be and treated as the act of conduct of the licensee for the purpose of adverse action against all or any of the licenses held by such licensee. To the extent this section is in conflict with sections 409.14 and 410.09 of the Legislative Code, this section must be controlling and prevail; but must not otherwise amend, alter or affect such sections."

Minnesota Statute §461.12 Subd. 2 also sets minimum statutory penalties for the sale of tobacco to an underage person:

"If a licensee or employee of a licensee sells, gives, or otherwise furnishes tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products to a person under the age of 21 years, or violates any other provision of this chapter, the licensee shall be charged an administrative penalty of \$300 for the first violation. An administrative penalty of \$600 must be imposed for a second violation at the same location within 36 months after the initial violation. For a third or any subsequent violation at the same location within 36 months after the initial violation, an administrative penalty of \$1,000 must be imposed, and the licensee's authority to sell tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products at that location must be suspended for not less than seven days and may be revoked. No suspension, revocation, or other penalty may take effect until the licensee has received notice, served personally or by mail, of the alleged violation and an opportunity for a hearing before a person authorized by the licensing authority to conduct the hearing. A decision that a violation has occurred must be in writing."

### **Adverse Action Recommendation:**

The Department of Safety and Inspections will recommend a \$500.00 matrix penalty for violating Saint Paul Legislative Code § 310.01, §310.03 (m) 3 (1) (a), §310.14, §324.07(i), and Minnesota Statute §461.12 Subd. 2. This is due to failing the Underage Buyer Compliance Check.

### **Factual basis for \$500.00 matrix penalty:**

On April 22, 2025, at 2:23 p.m. DSI Inspector Allan Vang, conducted a Tobacco Underage Buyers Compliance Check at 7 White Bears Liquor Llc d/b/a 7 White Bears Liquor located at 1785 7<sup>th</sup> Street East. An eighteen-year-old male, retained by DSI to perform underage compliance checks, entered your store to purchase cigarettes. You did not request his identification, and he was never asked of his age. Nevertheless, the clerk sold him a pack of Marlboro Light cigarettes.

On April 25, 2025, a letter was sent to 7 White Bears Liquor, 7 White Bears Liquor Llc, and to Isaac Gebreyesus., from DSI Inspector, Joseph Voyda. The letter informed you that you failed the state mandated underage tobacco check as (DSI), had recently conducted a State mandated annual inspection and the person under the age of 21, hired by DSI to conduct the check was able to purchase cigarettes. On April 22, 2025, 2:23 p.m. a pack of Marlboro Light cigarettes was successfully purchased from the clerk on duty. You were also informed to expect a Notice of Violation from the City Attorney's Office providing options on how to proceed with your adverse action.

You have four (4) options to proceed:

1. If you do not contest the imposition of the proposed adverse action, you may do nothing. If I have not heard from you by **May 29, 2025**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Consent agenda for imposition of the \$500 matrix penalty.
2. You can pay the \$500 matrix penalty. If this is your choice, you should make payment directly to the Department of Safety and Inspections, at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **May 29, 2025**, please contact the Department immediately.
3. If you wish to admit the facts but you contest the \$500 matrix penalty, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a Council hearing no later than **May 29, 2025**, the matter will then be scheduled before the City Council to determine whether to impose the \$500 matrix penalty. You will have an opportunity to appear before the Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (ALJ). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **May 29, 2025**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a hearing will need to be scheduled. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code § 310.03 (k).

**If you have not contacted me by May 29, 2025, I will assume that you do not contest the imposition of the \$500 matrix penalty. In that case, the matter will be placed on the City Council Consent Agenda for approval of the recommended penalty.**

If you have questions about these options, please contact my Paralegal Riddhi Mistry at [riddhi.mistry@ci.stpaul.mn.us](mailto:riddhi.mistry@ci.stpaul.mn.us), (651) 266-8835.

(Ord 22-46, § 2, 11-9-22; Ord 23-32, § 2, 9-6-23)

## Sec. 310.03. - Hearing procedures.

- (a) *Adverse action; notice and hearing requirements.* In any case where the council may or intends to consider any adverse action, including the revocation or suspension of a license, the imposition of conditions upon a license, or the denial of an application for the grant, issuance or renewal of a license, or the disapproval of a license issued by the State of Minnesota, the applicant or licensee must be given notice and an opportunity to be heard as provided herein. The council may consider such adverse actions when recommended by the director, by the director of any executive department established pursuant to Chapter 9 of the Charter, by the city attorney or on its own initiative.
- (b) *Notice.* In each such case where adverse action is or will be considered by the council, the applicant or licensee must be notified in writing that adverse action may be taken against the license or application, and that they are entitled to a hearing before action is taken by the council. The notice must be served or mailed a reasonable time before the hearing date, and must state the place, date and time of the hearing. The notice must state the issues involved or grounds upon which the adverse action may be sought or based. The council may request that such written notice be prepared and served or mailed by the director or by the city attorney.
- (c) *Hearing.* Where there is no dispute as to the facts underlying the violation or as to the facts establishing mitigating or aggravating circumstances, the hearing must be held before the council. Otherwise the hearing must be conducted before a hearing examiner appointed by the council or retained by contract with the city for that purpose. The applicant or the licensee must be provided an opportunity to present evidence and argument as well as meet adverse testimony or evidence by reasonable cross-examination and rebuttal evidence. The hearing examiner may in its discretion permit other interested persons the opportunity to present testimony or evidence or otherwise participate in such hearing.
- (c-1) *Procedure; hearing examiner.* The hearing examiner will hear all evidence as may be presented on behalf of the city and the applicant or licensee, and must present to the council written findings of fact and conclusions of law, together with a recommendation for adverse action.

The council will consider the evidence contained in the record, the hearing examiner's recommended findings of fact and conclusions, and may not consider any factual testimony not previously submitted to and considered by the hearing examiner. After receipt of the hearing examiner's findings, conclusions, and recommendations, the council must provide the applicant or licensee an opportunity to present oral or written arguments alleging error on the part of the examiner in the application of the law or interpretation of the facts, and to present argument related to the recommended adverse action. Upon conclusion of that hearing, and after considering the record, the examiner's findings and recommendations,

together with such additional arguments presented at the hearing, the council must determine what, if any, adverse action should be taken, which action must be by resolution. The council may accept, reject or modify the findings, conclusions and recommendations of the hearing examiner.

- (c-2) *Ex-parte contacts.* If a license matter has been scheduled for an adverse hearing, council members shall not discuss the license matter with each other or with any of the parties or interested persons involved in the matter unless such discussion occurs on the record during the hearings of the matter or during the council's final deliberations of the matter. No interested person shall, with knowledge that a license matter has been scheduled for adverse hearing, convey or attempt to convey, orally or in writing, any information, argument or opinion about the matter, or any issue in the matter, to a council member or his or her staff until the council has taken final action on the matter; provided, however, that nothing herein will prevent an inquiry or communications regarding status, scheduling or procedures concerning a license matter. An interested person, for the purpose of this paragraph, means and includes a person who is an officer or employee of the licensee which is the subject of the scheduled adverse hearing, or a person who has a financial interest in such licensee.
- (d) *Licensee or applicant may be represented.* The licensee or applicant may represent himself or choose to be represented by another.
- (e) *Record; evidence.* The hearing examiner shall receive and keep a record of such proceedings, including testimony and exhibits, and shall receive and give weight to evidence, including hearsay evidence, which possesses probative value commonly accepted by reasonable and prudent persons in the conduct of their affairs.
- (f) *Council action, resolution to contain findings.* Where the council takes adverse action with respect to a license, licensee or applicant for a license, the resolution by which such action is taken must contain its findings and determination, including the imposition of conditions, if any. The council may adopt all or part of the findings, conclusions and recommendations of the hearing examiner, and incorporate the same in its resolution taking the adverse action.
- (g) *Additional procedures where required.* Where the provisions of any statute or ordinance require additional notice or hearing procedures, such provisions must be complied with and supersede inconsistent provisions of these chapters. This includes, without limitation by reason of this specific reference, Minn. Stats., Chapter 364 and Minn. Stats., § 340A.415.
- (h) *Discretion to hear notwithstanding withdrawal or surrender of application or license.* The council may, at its discretion, conduct a hearing or direct that a hearing be held regarding revocation or denial of a license, notwithstanding that the applicant or licensee has attempted or purported to

withdraw or surrender said license or application, if the attempted withdrawal or surrender took place after the applicant or licensee had been notified of the hearing and potential adverse action.

- (i) *Continuances.* Where a hearing for the purpose of considering revocation or suspension of a license or other disciplinary action involving a license has been scheduled before the council, a continuation of the hearing may be granted by the council president or by the council at the request of the licensee, license applicant, an interested person or an attorney representing the foregoing, upon a showing of good cause by the party making the request.
- (j) If the council imposes an adverse action as defined in section 310.01 above, a generic notice of such action must be prepared by the director and posted by the licensee so as to be visible to the public during the effective period of the adverse action. The licensee shall be responsible for taking reasonable steps to make sure the notice remains posted on the front door of the licensed premises, and failure to take such reasonable precautions may be grounds for further adverse action.
- (k) *Imposition of costs.* The council may impose upon any licensee or license applicant some or all of the costs of a contested hearing before an independent hearing examiner. The costs of a contested hearing include, but are not limited to, the cost of the administrative law judge or independent hearing examiner, stenographic and recording costs, copying costs, city staff and attorney time for which adequate records have been kept, rental of rooms and equipment necessary for the hearing, and the cost of expert witnesses. The council may impose all or part of such costs in any given case if (i) the position, claim or defense of the licensee or applicant was frivolous, arbitrary or capricious, made in bad faith, or made for the purpose of delay or harassment; (ii) the nature of the violation was serious, or involved violence or the threat of violence by the licensee or employees thereof, or involved the sale of drugs by the licensee or employees thereof, and/or the circumstances under which the violation occurred were aggravated and serious; (iii) the violation created a serious danger to the public health, safety or welfare; (iv) the violation involved unreasonable risk of harm to vulnerable persons, or to persons for whose safety the licensee or applicant is or was responsible; (v) the applicant or licensee was sufficiently in control of the situation and therefore could have reasonably avoided the violation, such as, but not limited to, the nonpayment of a required fee or the failure to renew required insurance policies; (vi) the violation is covered by the intoxicating liquor; nonintoxicating malt liquor; presumptive penalty matrix in subsection (m) below; or (vii) the violation involved the sale of cigarettes to a minor.
- (l) *Imposition of fines.* The council may impose a fine upon any licensee or license applicant as an adverse license action. A fine may be in such amount as the council deems reasonable and appropriate, having in mind the regulatory and enforcement purposes embodied in the particular licensing ordinance. A fine may be in addition to or in lieu of other adverse action in the sole

discretion of the council. To the extent any other provision of the Legislative Code provides for the imposition of a fine, both provisions must be read together to the extent possible; provided, however, that in the case of any conflict or inconsistency, the other provision must be controlling.

(m) *Presumptive penalties for certain violations.* The purpose of this section is to establish a standard by which the city council determines the amount of fines, the length of license suspensions and the propriety of revocations, the general presumptive penalty matrix applies to all license types, except that in the case of a violation involving a liquor license the penalty matrix for intoxicating liquor; nonintoxicating malt liquor applies and for a violations involving tobacco, the penalty matrix for tobacco applies. These penalties are presumed to be appropriate for every case; however the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons making it more appropriate to do so. When deviating from these standards, the council must provide written reasons that specify why the penalty selected was more appropriate.

1. **General presumptive penalties matrix**—The general penalty matrix is to be used if there is not a specific penalty matrix for the license type or a category within the specific penalty matrix does not address the violation.
2. **Intoxicating liquor; malt liquor; presumptive penalty matrix.**

*Presumptive penalties for intoxicating liquor and nonintoxicating malt liquor violations.* If a violation is not covered under this penalty matrix, the general presumptive penalty matrix should be used. Penalties for convictions or violations are presumed to be appropriate for every case; however, the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons making it more appropriate to do so. When deviating from these standards, the council must provide written reasons that specify why the penalty selected was more appropriate (unless specified, numbers below indicate consecutive days' suspension):

- (a) For on-sale intoxicating liquor establishments with a seating capacity of one hundred fifty (150) or more, the monetary penalty for any violation (including violations found in chapter 310) must be doubled.
- (b) For off-sale intoxicating liquor establishments with five thousand one (5,001) or more square feet of retail space, the monetary penalty for any violation (including violations found in chapter 310) must be doubled.
- (c) *Other penalties.* Nothing in this section restricts or limits the authority of the council to suspend licenses for up to sixty (60) days, revoke the license, or impose a civil fine not to exceed two thousand dollars (\$2,000.00), to impose conditions or take any other adverse action in accordance with law, provided, that the license holder has been afforded an opportunity for a hearing in the manner provided for in section 310.02 of this Code.

- (d) *Effect of responsible business practices in determining penalty.* In determining the appropriate penalty, the council may, in its discretion, consider evidence submitted to it in the case of uncontested adverse actions or submitted to a hearing examiner in a contested hearing upon which findings of fact have been made that a licensee has followed or is likely to follow in the future responsible business practices in regard to sales to intoxicated persons and sales to minors.
- (1) For the purposes of service to intoxicated persons, evidence of responsible business practices may include, but is not limited to, those policies, procedures and actions that are implemented at time of service and that:
- a) Encourage persons not to become intoxicated if they consume alcoholic beverages on the defendant's premises;
  - b) Promote availability of nonalcoholic beverages and food;
  - c) Promote safe transportation alternatives other than driving while intoxicated;
  - d) Prohibit employees and agents of defendant from consuming alcoholic beverages while acting in their capacity as employees or agents;
  - e) Establish promotions and marketing efforts that publicize responsible business practices to the defendant's customers and community;
  - f) Implement comprehensive training procedures;
  - g) Maintain an adequate, trained number of employees and agents for the type and size of defendant's business;
  - h) Establish a standardized method for hiring qualified employees;
  - i) Reprimand employees who violate employer policies and procedures; and
  - j) Show that the licensee has enrolled in recognized courses providing training to self and one (1) or more employees of the licensed establishment in regard to standards for responsible liquor service.
- 2) For the purposes of service to minors, evidence of responsible business practices may include, but is not limited to, those listed in subsection (1) and the following:
- a) Management policies that are implemented at the time of service and that ensure that proof of identification (as established by state law) is examined for all persons seeking service of alcoholic beverages who may reasonably be suspected to be minors;
  - b) Comprehensive training of employees who are responsible for such examination regarding the detection of false or altered identification; and
  - c)

Enrollment by the licensee in recognized courses providing training to self and one (1) or more employees of the licensed establishment in regard to standards for responsible liquor service.

### 3. Tobacco presumptive penalties matrix.

*Tobacco presumptive penalties.* Penalties for convictions or violations are presumed to be appropriate for every case; however, the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons making it more appropriate to do so. When deviating from these standards, the council must provide written reasons that specify why the penalty selected was more appropriate (unless specified, numbers below indicate consecutive days' suspension):

- (a) *Purpose.* The purpose of this section is to establish a standard by which the city council determines the amount of fines, length of license suspensions and the propriety of revocations for licensees. These penalties are presumed to be appropriate for every case; however, the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons which make it appropriate to do so, except, the council may not deviate below statewide minimum penalties for licensees. When deviating from these standards, the council shall provide written reasons that specify why the penalty selected was more appropriate. Where no penalty is listed below, the presumptive penalty under the general presumptive penalty matrix will apply.
- (b) *Presumptive penalties for licensees for violations.* Adverse penalties for licensees for violations or convictions shall be presumed as follows:
- (c) *Computation of time for violations under the tobacco presumptive penalties matrix.* If a violation is not covered under this penalty matrix, the general presumptive penalty matrix should be used. Except as otherwise provided by Minn. Stats. § 461.12, subd. 2, subsequent tobacco violations are subject to the following:
  - (1) *Second, third and fourth appearances for violations under the tobacco presumptive penalties matrix.* . A second violation within twenty four (24) months must be treated as a second appearance, a third within twenty four (24) months treated as a third appearance, and a fourth within twenty four (24) months treated as a fourth appearance for the purpose of determining the presumptive penalty.
  - (2) *Any appearance not covered by subsections (1) above must be treated as a first appearance for violations under the tobacco presumptive penalties matrix.*  
Measurement of the twenty four (24) month period must be as follows: The beginning date shall be the earliest violation's date of appearance before the council, and the ending date shall be the date of the new violation. In case of multiple new violations, the ending date to be used shall be the date of the violation last in time.

(i) *Fines payable without hearing.*

A. Notwithstanding the provisions of section 310.03(c), a licensee who would be making a first or second appearance on a violation that calls for a monetary fine before the council may elect to pay the fine to the department of safety and inspections without a council hearing, unless the notice of violation has indicated that a hearing is required because of circumstances which may warrant deviation from the presumptive fine amount. Payment of the recommended fine will be considered to be a waiver of the hearing to which the licensee is entitled and will be considered an "appearance" for the purpose of determining presumptive penalties for subsequent violations.

(ii) *Multiple violations.* At a licensee's first appearance before the city council, the council shall consider and act upon all the violations that have been alleged and/or incorporated in the notices sent to the licensee under the administrative procedures act up to and including the formal notice of hearing. The council in that case shall consider the presumptive penalty for each such violation under the "1st Appearance" column in the Penalty Matrixes above. The occurrence of multiple violations is grounds for departure from such penalties in the council's discretion.

(iii) *Violations occurring after the date of the notice of hearing.* Violations occurring after the date of the notice of hearing that are brought to the attention of the city attorney prior to the hearing date before an administrative law judge (or before the council in an uncontested facts hearing) may be added to the notice(s) up to twenty (20) days before the hearing, and may in that case be treated as though part of the "1st Appearance" unless grounds for upward deviation from the presumptive penalties outlined in the presumptive penalty matrix outlined in 310.03(m) are included in the amended notice of the violation. In all other cases, violations occurring after the date of the formal notice of hearing must be the subject of a separate proceeding and dealt with as a "2nd Appearance" before the council. The same procedures must apply to a second, third or fourth appearance before the council.

(iv) *Subsequent appearances.* Upon a second, third or fourth appearance before the council by a particular licensee, the council shall impose the presumptive penalty for the violation or violations giving rise to the subsequent appearance without regard to the particular violation or violations that were the subject of the first or prior appearance.

(v) *Computation of time.*

- (1) *Second appearance.* A second violation within twelve (12) months must be treated as a second appearance for the purpose of determining the presumptive penalty.
- (2) *Third appearance.* A third violation within eighteen (18) months must be treated as a third appearance for the purpose of determining the presumptive penalty.
- (3) *Fourth appearance.* A fourth violation within twenty-four (24) months must be treated as a fourth appearance for the purpose of determining the presumptive penalty.
- (4) Any appearance not covered by subsections (1), (2) or (3) above must be treated as a first appearance. Measurement of the twelve-, eighteen-, or twenty-four-month period is as follows: The beginning date shall be the earliest violation's date of appearance before the council or payment of the fine related to the violation, and the ending date shall be the date of the new violation. In case of multiple new violations, the ending date to be used shall be the date of the violation last in time.
- (5) Notwithstanding subsections (iv)(1), (2), (3) or (4) above, a second appearance before the council regarding a death or great bodily harm in a licensed establishment that is related to a violation of the law or license conditions must be counted as a second appearance, regardless of how much time has passed since the first appearance if the first appearance was also regarding a death or great bodily harm in a licensed establishment. A third appearance for the same must be counted as a third appearance regardless of how much time has passed since the first or second appearance.
- (6) Violations of the general presumptive penalty matrix, the intoxicating liquor, malt liquor presumptive penalty matrix and the tobacco presumptive penalty matrix are meant to be cumulative. For the purpose of a second, third or fourth appearance under this section, "violation" shall must mean either one of those violations listed in paragraph (m)1, 2, or 3.

(Ord 22-46, § 3, 11-9-22)

Sec. 310.14. - Licensee's responsibility.

Any act or conduct by any clerk, employee, manager or agent of a licensee, or by any person providing entertainment or working for or on behalf of a licensee, whether compensated or not, which act or conduct takes place either on the licensed premises or in any parking lot or other area adjacent to (or under the lease or control of) the licensed premises, and which act or conduct violates any state or federal statutes or regulations, or any city ordinance, must be considered to be and treated as the act or conduct of the licensee for the purpose of adverse action against all or any of the licenses held by such licensee. To the extent this section is in conflict with sections 409.14 and 410.09 of the Legislative Code, this section must be controlling and prevail; but must not otherwise amend, alter or affect such sections.

**461.12 MUNICIPAL LICENSE OF TOBACCO, TOBACCO-RELATED DEVICES, AND SIMILAR PRODUCTS.**

Subdivision 1. **Authorization.** A town board or the governing body of a home rule charter or statutory city may license and regulate the retail sale of tobacco, tobacco-related devices, and electronic delivery devices as defined in section 609.685, subdivision 1, and nicotine and lobelia delivery products as described in section 609.6855, and establish a license fee for sales to recover the estimated cost of enforcing this chapter. The county board shall license and regulate the sale of tobacco, tobacco-related devices, electronic delivery devices, and nicotine and lobelia products in unorganized territory of the county except on the State Fairgrounds and in a town or a home rule charter or statutory city if the town or city does not license and regulate retail sales of tobacco, tobacco-related devices, electronic delivery devices, and nicotine and lobelia delivery products. The State Agricultural Society shall license and regulate the sale of tobacco, tobacco-related devices, electronic delivery devices, and nicotine and lobelia delivery products on the State Fairgrounds. Retail establishments licensed by a town or city to sell tobacco, tobacco-related devices, electronic delivery devices, and nicotine and lobelia delivery products are not required to obtain a second license for the same location under the licensing ordinance of the county.

Subd. 2. **Administrative penalties for sales and furnishing; licensees.** If a licensee or employee of a licensee sells, gives, or otherwise furnishes tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products to a person under the age of 21 years, or violates any other provision of this chapter, the licensee shall be charged an administrative penalty of \$300 for the first violation. An administrative penalty of \$600 must be imposed for a second violation at the same location within 36 months after the initial violation. For a third or any subsequent violation at the same location within 36 months after the initial violation, an administrative penalty of \$1,000 must be imposed, and the licensee's authority to sell tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products at that location must be suspended for not less than seven days and may be revoked. No suspension, revocation, or other penalty may take effect until the licensee has received notice, served personally or by mail, of the alleged violation and an opportunity for a hearing before a person authorized by the licensing authority to conduct the hearing. A decision that a violation has occurred must be in writing.

Subd. 2a. **Penalties for sales of certain products; licensees.** (a) A licensee's authority to sell tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products at that location must be suspended for not less than seven days and may be revoked if the licensee:

(1) holds a license or registration issued pursuant to chapter 342 or section 151.72, subdivision 5b, and the license or registration is revoked;

(2) is convicted of an offense under section 151.72, subdivision 7; or

(3) has been convicted under any other statute for the illegal sale of marijuana, cannabis flower, cannabis products, lower-potency hemp edibles, hemp-derived consumer products, or edible cannabinoid products and the sale took place on the premises of a business that sells tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products.

(b) No suspension, revocation, or other penalty may take effect until the licensee has received notice, served personally or by mail, of the alleged violation and an opportunity for a hearing before a person authorized by the licensing authority to conduct the hearing. A decision that a violation has occurred must be in writing.

Subd. 3. **Administrative penalty for sales and furnishing; individuals.** An individual who sells, gives, or otherwise furnishes tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia

delivery products to a person under the age of 21 years may be charged an administrative penalty of \$50. No penalty may be imposed until the individual has received notice, served personally or by mail, of the alleged violation and an opportunity for a hearing before a person authorized by the licensing authority to conduct the hearing. A decision that a violation has occurred must be in writing.

Subd. 4. **Alternative penalties for use of false identification; persons under age 21.** The licensing authority shall consult with interested persons, as applicable, including but not limited to educators, parents, guardians, persons under the age of 21 years, and representatives of the court system to develop alternative penalties for persons under the age of 21 years who purchase, or attempt to purchase, tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products using a driver's license, permit, Minnesota identification card, or any other type of false identification to misrepresent the person's age, in violation of section 609.685 or 609.6855. The licensing authority and the interested persons shall consider a variety of alternative civil penalties, including, but not limited to, tobacco-free education; tobacco cessation programs; notice to schools and parents or guardians; community service; and court diversion programs. Alternative civil penalties developed under this subdivision shall not include fines or monetary penalties.

Subd. 5. **Compliance checks.** A licensing authority shall conduct unannounced compliance checks at least once each calendar year at each location where tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products are sold to test compliance with sections 609.685 and 609.6855. Compliance checks conducted under this subdivision must involve persons at least 17 years of age, but under the age of 21, who, with the prior written consent of a parent or guardian if the person is under the age of 18, attempt to purchase tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products under the direct supervision of a law enforcement officer or an employee of the licensing authority. The age requirements for persons participating in compliance checks under this subdivision shall not affect the age requirements in federal law for persons participating in federally required compliance checks of these locations.

Subd. 6. **Defense.** It is an affirmative defense to the charge of selling tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products to a person under the age of 21 years in violation of subdivision 2 or 3 that the licensee or individual making the sale relied in good faith upon proof of age as described in section 340A.503, subdivision 6.

Subd. 7. **Judicial review.** Any person aggrieved by a decision under subdivision 2 or 3 may have the decision reviewed in the district court in the same manner and procedure as provided in section 462.361.

Subd. 8. **Notice to commissioner.** The licensing authority under this section shall, within 30 days of the issuance of a license, inform the commissioner of revenue of the licensee's name, address, trade name, and the effective and expiration dates of the license. The commissioner of revenue must also be informed of a license renewal, transfer, cancellation, suspension, or revocation during the license period.
