**Subject:** Appeal of Fire Inspection Orders for 2318 Standish St.

Good Afternoon Ms. Roxann and Mr. Cameron Christian,

I have received your appeal on the June 11, 2018 Fire Correction Orders for 2318 Standish St. It appears the key item you are appealing pertains to whether there is a business operating on site which requires a home occupancy permit from the City of Saint Paul. I have the authority to grant extensions for compliance with this type of Fire Inspection order, but it appears to me you are appealing whether a particular section of the City's Zoning Code applies to your situation. Appeals related to the zoning code are under the exclusive purview of Zoning Administration in the Department of Safety and Inspections. Insofar as your appeal addresses the applicability of the Zoning Code, I refer you to the contacts in the June 11, 2018 letter. If you are seeking an extension for compliance with the Fire Inspection letter, I am happy to work with you on that matter and your hearing time and date of June 26, 2018 at 1:30 p.m. are unchanged.

Sincerely,  
Marcia Moermond, Legislative Hearing Officer  
Saint Paul City Council
