Subject: Demolish former CVS Bldg on Snelling/University corner

You don't often get email from moor0775@umn.edu. [Learn why this is important](#)

I am a Hamline Midway neighborhood resident in support of demolishing the former CVS building on the corner of Snelling and University. I frequently see trash, drug use, graffiti, homeless folks with seeming mental health issues gathering there and walking in and out of traffic in the street and the light rail.

This is an unsafe place for all and a significant nuisance for the neighborhood - that corner lot could be turned into so many other positive uses.

Please demolish it.
