

All,

Re: parking on Grand Ave.

At work. Can not attend hearing. You can not give a way what you do not have. We have a comprehensive plan. there is no parking on Grand !!! Businesses serving alcohol must require more spaces !! No more favors/variances. I your business can not comply, you will have to go elsewhere. We can give, what does not exist. This is a neighborhood. Remember that. I will be more than happy to give you examples, at a later time. I am at work now, tending bar. (ask me about alcohol !)
