### Sound Level Variance Application Legislative Code Chapter 293. - Noise Regulations

Application and \$172 fee payment should be submitted a minimum of sixty (60) days prior to the scheduled event start date. A public notification period is required prior to scheduling the application's Public Hearing before the Saint Paul City Council. Applications received fewer than sixty (60) days prior to the event may not satisfy the ordinance's processing timelines for placement on the Council's agenda.

1. Organization/person seeking variance: Public Works Sewer Utility
2. Event Name: Sanitary Tunnel Cleaning Project - Mississippi River Blvd
3. Address and physical description of noise source location (Event, Worksite): Seven work sites within Mississippi River Blvd Corridor - See Map.
4. Responsible person: Aaron Hass Title: Civil Engineer
5. Telephone: 651-266-6171 E-Mail: aaron.hass@ci.stpaul.mn.us
6. Date(s) variance requested: November 4, 2019 to April 30, 2020
7. Noise source - Time(s) of operation: M-F, 7am to 7pm  
- Time(s) of pre-event sound check: NA
8. Sound level requested (dBA/Decibels): 90 dBA
9. Mailing address w/zip code: St. Paul PW Sewer Utility, 25 West 4<sup>th</sup> Street
10. Briefly describe the noise source and equipment involved: Pumps, generators, sewer cleaning and containment systems. 700 CHA St. Paul, MN 55102
11. Describe the steps that will be taken to minimize the noise levels: Sound attenuated pumps and generators
12. State reason for seeking variance (example - music, announcements, construction, etc.): Clean city sanitary tunnel.
13. A site diagram & map must be attached showing location of noise source(s), streets, stages, tents, etc. (If there will be amplified sound, indicate location and direction that all speakers will be facing).  
**Multiple locations may require more than one application.**
14. Submit completed application, site diagram/map, and \$172.00 fee to:
