Mai,

I'm adding details to the reasoning of why we are not complete with our project. I would like it be known that our set back, for two plus weeks, in this matter was due to the two reschedulings from the fire inspector. Please see the attached email regarding the first rescheduling, screen shot for the 01/11/16. The second was done over the phone, for the following week. Mr Thomas stated that there was nothing to check if the power was not on.

Thank you,

Ian Houmas,
Executive Director AEH
