Re: Appeal for Property at 69 Milton Street North

Dear Ms. Daleiden:

This is to inform you I have consulted further, now with the City Attorney in this matter and we agree that your appeal should be granted. I believe the language in the Minnesota State Fire Code pertaining to sprinklers may be interpreted as allowing you to maintain your system with the strobe alert and without external monitoring. This is different than the recommendation I made earlier after consulting with Fire Inspection management. I apologize for the delay in coming to this conclusion and hope this resolves the matter for you.

Your appeal is scheduled for **City Council Public Hearing Wednesday September 12, 2018 at 3:30 p.m. in City Council Chamber on the 3rd floor of City Hall** should you wish to further contest the matter.

Any questions, you may contact me at 651-266-8570.

Sincerely,

/s/
