District 6 Planning Council supports the recommended \$500.00 matrix penalty for the violation of license conditions held by Phoenix Auto d/b/a 3B Auto Sales located at 1176 Dale Street.

The Land Use Task Force met with the applicant on April 26, 2017 and recommended approval of the issuance of a license due to the fact it was a change in ownership. The license holder has been in business less than three months and has violated clear and concise conditions. This is unacceptable to the North End community.

Thank-you for your consideration and if you have any questions please contact the office at the numbers above.
