Honorable Parks and Recreation Commissioners:

Staff from Saint Paul Regional Water Services and Saint Paul Parks and Recreation met with the Southeast Community Organization's Land Use Committee at our February 1 meeting to present the proposed lease of lands between the two departments with a focus on the changes around Pig's Eye Lake. Following an exchange of questions and discussion, the committee unanimously voted to support the proposed lease arrangement.

We appreciate the opportunity to engage with City staff on this project and hope that it is able to successfully advance both departments' objectives.

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul Sawyer". The signature is fluid and cursive, with a long horizontal stroke at the end.
