02/22/2011	<a href="#">11 017646</a>	Resolved	CS - CSO Complaint - License - Complaint	I am a Saint Paul resident at 356 Fulton St. in the West End neighborhood. I recently spoke to with Councilmember Dave Thune's office about a problem property across the street from me, and suggested I contact you. The bar 'Tavern on the Avenue' located at Jefferson and Fulton has had repeated incidences of violence, drunk and disorderly contact and noise violations for the past four and half years that I have lived here. I have done everything up until this point to try and remedy the problems: I attended the first hearing when the bar changed owners and wanted to extend their liquor license where I raised concerns and was given a promise by the manager and owner that things would improve. I have called the manager and bar staff repeatedly about fights, then decided to just directly call the police. When I purchased my home, I knew there would be a fair level of noise. I work at a bar and know the nature. But there has been a total disregard for the neighborhood and the residents that live here. The fights bother me the most, because they go far beyond what the security can control. Last call when the parking lot fills is the worst time of night (2-3 a.m.) when people continue shouting, playing loud music and generally having an after party with no word from the bar security. Fights have escalated to include almost four dozen people. These usually spill into the street and move toward my home. When I call the police, I feel as if they don't take it seriously unless there has already been an altercation, even if one is eminent. I do want to state that the manager and bar staff have been very helpful and polite, but the general sense I get is the situations that arise there are too much for even then to deal with.

02/09/2011	<a href="#">11 014340</a>	Closed	RF - Referral - C of O	<p>So we all are forced to suffer until the police decide to come. If this happened in Mac-Groveland or Highland this place would be shut down I'm sure. I don't want to move, I love my neighborhood, but feel no one cares about the houses bordering this bar. I was told there are steps to revoke the license of bars that are not holding up their end of the deal. I would like to formally complain and begin this process. I know it is a long haul, but I am at my wits end. At your earliest convenience please forward me whatever information I need in order to take the first steps. I have several other families on the block that agree and we are ready to address this.</p> <p>Owner Beverly Ann Stickney/Jeffrey Jay Stickney - Follow up on C of O folder approved with corrections.</p>
