Sec. 63.206. Rules for computing required parking.

- (c) In addition to the requirement of section 63.204, there shall be provided off-street parking spaces for all bars or premises licensed for entertainment class C on-sale intoxicating liquor (excluding restaurants licensed for wine, strong beer, or nonintoxicating malt liquor) or entertainment as provided herein:
- (1) Issuance of a license to an existing structure not previously licensed for a bar or entertainment class C during the twenty-four (24) months preceding the application, off-street parking pursuant to section 63.207.
 - (2) Expansion of a bar or premises licensed for entertainment class C, licensed structure with an on-sale intoxicating liquor license off-street parking pursuant to section 63.207 at the same rate as transfer or new issuance to an existing structure not previously licensed, plus twenty-five (25) percent of any parking shortfall for the existing building licensed area. "Parking shortfall" shall mean the difference between required parking pursuant to section 63.207 for the existing area as currently licensed structure minus the number of parking spaces actually provided for that area structure. The percentage of the parking shortfall to be provided shall be increased to forty (40) percent if there is a bar or premises licensed for entertainment class C within six hundred fifty (650) feet of the existing establishment.
 - (3) ~~Expansion of a licensed structure with an on-sale intoxicating liquor license, or an upgrade in an entertainment license, when located within six hundred fifty (650) feet of another existing establishment with an on-sale intoxicating liquor or entertainment license shall provide an additional fifteen (15) percent of any parking shortfall.~~
