Hi Kyle,

I apologize I couldn't get back to you before your hearing. You are all set, I am approving your final inspection for the VB status. I cannot issue a code compliance letter at this time due to the cyber attack, however, when the system is capable of generating this document, I will issue it to you.

Blessings!

Hi Clint,

I'm just double checking that you got the two emails I sent. The hearing is in half an hour, and I hope it can be basically completed today.

Thanks!

Kyle
