To whom it may concern

My name is Eric Jacobson I live at 838 Clear Ave, St Paul MN 55106 I live there for 2 years I vote against haveing there lease re new due to the fact there clients and employees park on our street and front of our houses and there clientele are a little shady we just recently had stuff taken out of cars a cell phone and gym bag . We also have children and the employees are loud and vowel language said during the morning while working and the children can here that . That's not right when children are trying to enjoy the out side on there summer break . I vote against arcade auto body doing further business in our neighborhood .

Thank you for hearing our voices
Eric Jacobson
