Hi Steve,

The Department of Safety and Inspections (DSI) is currently processing the SLV application for India Fest. I have attached a copy for reference, along with a blank SLV application. I noticed that the Event date is listed as 08/14/2019, a Wednesday. Is this a correct date? Also, there is no amplified sound activity description, such as music, dance, announcements, etc..? Please review the SLV application and make sure the information is complete for processing.

Thank you,

Barb
