Hi, my name is Joanne Hodgman. I'm calling in regards to a, what are we calling this public hearing notice, ratification of assessment, excessive consumption of assessments. It is regarding my minivan that is in the back of my house. It is on my property. It is licensed, registered, insured. It runs, it just has four flat tires that I cannot afford to replace. I've contacted the city inspector, explained that to them, offered to cover it with a tarp. They said that it wasn't. I couldn't cover it with a tarp and they just keep on giving me the fines for having to come out. So I am contesting and if there's any questions I can be reached at 651-894-4104. Thanks.
