Clare,

Please see the attachment.

I sent Mr. Crawford a note to call me about his assessment. He finally did call me this afternoon.

Please prepare a file for the hearing on Thursday, October 7.

He is quite angry about the entire program. I told him that this Legislative Hearing will just be for the assessment of \$109.06 and not the entire program. I told him to be prepared to answer the question of why he is appealing this assessment.

I think he would benefit from the small garbage container that is picked up every other week. I think he has the large one. He says that he puts his trash out every 8 weeks or so.

His contact information is as follows: 651-222-4648, gwccraw@gmail.com.

Thanks Clare.

Kristin,

I want to give you an update on 667 Laurel.

The letter that Gregory Crawford sent did not contain a phone number nor e-mail. I found both by looking at documents in STAMP. I called Mr. Crawford on September 20 and today using 651-296-5402. I also left him an e-mail on Monday using [GregCrawford@earthlink.net](mailto:GregCrawford@earthlink.net). He has not gotten back to me yet.

His address is listed on the roll for the October 7 Legislative Hearing. He could appeal this assessment, but I need to talk to him first to get his okay to be put on the schedule and to make sure he will pick up the phone to appeal his assessment. Legislative Hearings are held via teleconference.

I will send him a quick note via U.S. mail.

-Racquel, 6-8573
