OF THE CITY OF SAINT PAUL, MINNESOTA**

REPORT TO THE COMMISSIONERS

DATE: NOVEMBER 14, 2012

**REGARDING: AUTHORIZATION TO APPROVE THE SALE AND CONVEYANCE OF
PARCEL 752 BRADLEY STREET UNDER THE NSP PROGRAM,
PAYNE-PHALEN DISTRICT 5.**

Requested Board Action

Authorization for the sale and conveyance of Parcel 752 Bradley Street to Richard H. Bean.

Background

Since 2009, the HRA/City has received \$31.0 million through three rounds of Federal NSP funding as follows:

- NSP 1 funds: \$10.6 million; one-half of the funds had to be expended or obligated by September 13, 2010; the balance has to be expended by March, 2013. (The 9-13-10 spend-down requirement was met.)
- NSP 2 funds: \$18.03 million; one-half of the funds had to be expended or obligated by February 20, 2012; the balance has to be expended by February, 2013. (The 2-20-12 spend-down requirement was met.)
- NSP 3 funds: \$2.8 million; one-half of funds need to be expended by February, 2013; the balance has to be expended by February, 2014.

The property located at 752 Bradley Street was purchased on May 6, 2010 under the Neighborhood Stabilization Program (NSP) and Rebuilding Plan 2009-2013 approved by HRA Resolution 09-02/25-6. It is a two story, 1,240 sq/ft home with 3 BD/2 BA; it was built in 1909. The Sheriff's sale was held on August 4, 2009 with a six month redemption period. An as-is appraisal completed on April 3, 2010 determined the value to be \$34,500. The HRA purchased the property for \$34,155 representing a discount of 1%. The cost of rehabilitation was estimated at \$160,000. The estimated resale value was placed at \$130,000 based on market conditions at the time of acquisition, and prior sales, with an estimated subsidy of \$80,000 which considered

all rehab requirements, energy efficiency, marketability, curb appeal, and holding costs. See Financing Structure below for breakdown on gap/subsidy assistance and program income.

The sale of this and other NSP homes will generate program income that will be recycled and used to fund like activities.

See **Attachment B – Marketing Process and Procedures/Homebuyer Incentive Program** for more information on NSP fair marketing efforts.

Budget Action

No budget action is being requested. City Council took necessary NSP budget actions on November 19, 2008 (Resolution 08-1270) and January 28, 2009 (Resolution 09-103); HRA took necessary actions on February 25, 2009 (Resolution 09-02/25-6). All actions identified the eligible funding activities approved in the Neighborhood Stabilization Program.

Future Action

No future action will be required. Once the HRA takes action approving the sale of the property, staff will proceed to schedule a closing and convey the property.

Financing Structure

The property is being sold based on the after-rehab appraisal and in consideration of NSP costs for \$134,500. A deed conveying the property includes a restriction requiring owner-occupancy. The first mortgage will be conventional financing and held by United Residential Mortgage. In addition, the purchaser will be using mortgage affordability assistance provided by the NSP Homebuyer Assistance Program.

(The NSP Homebuyer Assistance Program is both an incentive and a tool to assist in keeping mortgage payments affordable long term. The assistance provides \$14,500 for mortgage affordability to any home buyer purchasing an NSP house assisted by HRA. NSP assistance requires restrictions and covenants be placed on the property to keep the property affordable at 120% of area median income.)
