File # RLH TA 17-20

File # J1703A, Assessment No. 178502

There was a summary abatement sent on cutting the tall grass and weeds and the work was done. However, there was a second work order sent on removal of garbage but the summary abatement order was not sent. We apologize for any inconvenience.

Please adjust the total cost of the assessment as the cost to cut the tall grass is valid.

Thanks!!
