**Subject:** Vacant Building Registration Appeal for 721 Jackson St.

Dear Ms. Pham and Mr. Zadow,

At the legislative hearing yesterday you indicated a Councilmember, Mr. Dai Thao, had acted inappropriately with respect to the vacant building status of 721 Jackson Street. I spoke with Steve Magner, Code Enforcement Manager at the Department of Safety and Inspections, who indicated he himself asked staff to follow up after personally observing the unkempt property with tall grass and weeds. I found no information Mr. Thao had anything to do with enforcement actions for this property.

If you believe Councilmember Thao has acted inappropriately and you wish to pursue the matter, you should contact the appropriate authorities.

As indicated yesterday, I continued the hearing on your appeal to September 25, 2018 at 2:30 at which point I anticipate I will be able to put a recommendation on the record for your case.

Sincerely,  
Marcia Moermond  
Legislative Hearing Officer
