City of St.Paul- Right of Way Maintenance

C.C.: Chris Coleman

To whom it may concern-

I own the following properties - 825 Galtier (Larch street side-corner lot), 262 Larch street, 267 Larch street, and 275 Larch street.

The city has not maintained the right of ways for at least 10 years. Alloy has maintained the properties on our own.

We would like to be reimbursed for the fees that we have been charged for. (See attached)

We have called the number provided for assessment questions, left our information with the automated recording and did not hear back.

I will withhold my payment fees on these properties until someone can meet with me and talk.

I would appreciate if someone would come out to view the property streets- and re-evaluate with me present to go over and discuss.

Thank you,

Michael Frascone
