Entire building

Consistent Increases

Yes

Percent Increase Proposed

8

Effective Date

July 1, 2024

Justification

["An increase in real property taxes"; "An unavoidable increase in operating expenses"; "A pattern of recent rent increases"]

Condition of Property

No known code violations

Added Information

We rented our single family home for the first time starting July 1, 2023 when we were forced to move due to work. We had to rent the property quickly and therefore kept the asking rent below market value. We were not advised by our rental company (renter's warehouse) about the restrictions enacted by Saint Paul and, this past year, are actually losing money on the property...
