TYPE OF APPEAL: Application is hereby made for an appeal to the:

Planning Commission, under provision of Chapter 61, Section 701, Paragraph c of the Zoning Code, of a decision made by the Planning Administrator or Zoning Administrator

OR

City Council, under provision of Chapter 61, Section 702, Paragraph a of the Zoning Code, of a decision made by the Planning Commission

Date of decision: June 1, 2018 File Number: 18-050-373

GROUND FORS FOR APPEAL: Explain why you feel there has been an error in any requirement, permit, decision or refusal made by an administrative official, or an error in fact, procedure or finding made by the Planning Commission.

The Planning Commission erred in not granting legal non-conforming status to the property as a 4 unit dwelling

- 1. The Planning Commission should have determined that the property - based upon its history, current layout, and extensive cost to remodel - could not be reasonably or economically used as anything other than a 4 unit dwelling.
- 2. The Planning Commission should have determined that the proposed use as a 4 unit dwelling is equally or more appropriate than a 1, 2, or 3 unit dwelling.
