Think Before You Click: This email originated **outside** our organization.

Good morning,

I am new resident on 425 maryland ave W since september 2020. Since then i am noticing lot of criminal activities on tobacco shop including gun violence. My dream was to live better without stress but due to this tobacco shop it ruined my hope. Especially for my two kids hoping to live better in such community makes me to see why city of saint paul allow such business in this area. Do the community disrupted by on tobacco shop worth for the city. Plz help us by get rid of the shop and make our dream of living better.
