Change in occupancy being proposed from M(retail) to A-3(mosque). Require code analysis and review by Zoning and Plan Review. I spoke to a realtor who is working with a client to buy this building for the purpose of establishing a mosque. From the conversation with the realtor, it sounds like this group has already occupied the building for that purpose. The building is C of O for mercantile with two residential units. The mosque proposal is a change in use of the building. I explained to the realtor (Jama Adam,651-605-8600) that his clients will need to hire an architect to do a code review for a place of assembly and prepare necessary plans for my office to review. I also explained and will follow up with a letter that they should not be using the building as a mosque until such time as the building official certifies as such. He explained that he would advise his clients and that they might be rethinking their plans. I told them I would be available to set up a meeting with his client when they have a preliminary plans for how they intend to use the building.
