Marcia Moermond Legislative Hearing Officer  
City of St. Paul

RE: Appeal of Orders for 358 Arbor Street

Ms. Moermond,

I am in receipt of the letter laying over our hearing and scheduling an additional hearing for January 14, 2020 at 1:30 PM. Neither Ron nor I will be attending the January 14 hearing.

Attached please find Homestead application homesteading 358 Arbor Street in my name. The attached application was filed with Lori Clark at Ramsey County, Plato Blvd office January 7, 2020.

I live at 358 Arbor Street, I live there because I do, my drivers license says I do, the state says I do, I vote there, I've owned it since you where 14 years old and I say I do.

Please recommend that our appeal be granted, we would not be willing to offer any further testimony or evidence beyond what you have already received. Your questions and the inferences of "staff" have been insulting enough.

I am totally disabled and a breast cancer survivor, I've been through enough. I am quite upset that you would offer your opinion in a public hearing about my mental or physical state based on a phone conversation you claim to have had with me that I have no memory of. Please be more careful about what you opine about in public.

Sincerely,

*Diane Staeheli s/s/*
