I just spoke to Morgan Okney, 379-2310. I read him Mr. Smith's e-mail. I asked Mr. Okney if he wanted to appeal further. He said no and we can close the file. He didn't want a confirmation e-mail.

Good Morning Ed,

If you've abated the order, we usually call the property owner to confirm they agree the matter is resolved, and if they do, we close the file. This is one of those ongoing problem property areas and they may be looking for more in the appeals process (which we may/may not be able to provide).

Racquel, could you call and see what they have to say?

Thanks, Marcia

Mai and Marcia,

419 Whitall St has been cleaned up. Do we still need to have someone attend the Appeals Hearing since the property has already been abated by the owner?
