Mr. Cannon,

Because it is your intention to owner occupy, but the property can't be owner-occupied currently until the conditions laid out in your hearing are met, send any documents to both Mr. Smith, as well as Deputy Director Bistodeau (copied here). It is at the Department of Safety and Inspection's discretion how they want to handle this moving forward.

I hope that helps,

Joanna

Hi Joanna, I was told at the hearing that I'd be given a new inspector, one not supervised by Leanna Shaff. Please advise.

No problem,

Your inspector is David Smith, he is copied on my original email with your letter, his info should also be in the letter you received from the Department of Safety and Inspections.

Hope that helps,  
Joanna

Ok, thank you. Are you able to let me know who my direct inspector is or is that something only their office would know. Let me know, thanks.

Hi Joanna, who is DSI and how do I show them a bid/completion of the project?
