Dear Council Members,

Attached please find documentation with which MN Acre Farms is appealing the result of the Legislative Hearing held on October 6, 2020. Note that the attached PDF includes color photos of the interior of the structure as well as a link to the technical manual for the hydroponic farming system from the manufacturer (Freight Farms of Boston, MA).

We respectfully request the opportunity to speak at the October 21 Council Meeting. While the ongoing pandemic is challenging us all, it should not be allowed to silence the voices of citizens who are trying to improve our community.

Thank you,

John M. Cannon (jcannon@macalester.edu)
