Hi Joanna,

Thanks for that. It does help. I just looked the permit up and the inspector did update it as finalized so that should be everything. I'll appeal once I get the letter.

Mr. Johnson,

Following up on our phone conversation yesterday, your VB registration went to assessment October 1, 2020. You'll be getting a letter about that assessment, and you should APPEAL THAT. If you can get the work done before Nov 7, 2020 Ms. Moermond will give a 90 day waiver (from August 7, the day you entered the program), thereby deleting that assessment, or if you are not done (this means all permits finalized) you can discuss prorating the fee.

I hope this helps,

Joanna
