**Subject:** Ruling by City of St. Paul

I am concerned about the recent ruling by the City of St. Paul regarding lot line variance requests. I am a homeowner in Macalester Groveland and I would be extremely upset if the lot line of my home were adjusted without my consent to accommodate a neighbor's building plans. I will be following the action on the St. Paul Lot lines issue. I urge you as my Councilman, Chris Tolbert, to vote in favor of keeping existing property lines intact and not subject to any variance request/approval.

Sincerely,
