the living room window. My husband yells "Boy be careful he has a knife in his hand". I asked him "why the hell do you have a knife in my house and are you climbing through the fucking window?"

The respondent stated he had it for my husband some words were exchanged my husband I asked him to go sit down. Marco called his uncle who was already outside (Samuel Brinkley) and when he went towards the door I told Marco he needed to get out of my house w/ the knife. He started to push his back towards me w/ the knife still in his hand telling me that the police knew he came into the home w/ it. I pushed him back trying to get him out of the door. When he was in the entry way I locked the door. Speaking w/ him & law enforcement through the glass. I asked SPPD Did they know he climbed through the window a knife, they said NO. A few minutes later the respondent Tiffini Van-Brinkley, Tatianna Poe, and Samuel Brinkley all were outside in the street with Marco stating that they were going to come in and "fuck-up" me & my husband. Before I left I tried to close the door where Marco (in front of SPPD) put his foot in the door and started pushing me again where I started to push back before I could move out the way the police tried to break it up. I did grab his hair in self defense where 5-6 of his dreds got pulled out when we were shoving back & forth. I have been sleeping in my car for safety reasons once again & this is

truly affecting my health judge. This young man is consistently putting my safety @ risk.

I've tried to let him stay & try to live peacefully, but after the tussel w/ SPPD present Marco, Tatianna Poe, and orchestrated verbally from Samuel Brinkley all my first floor house windows were busted out. I have video evidence of the threats from the respondent stating "I would get slashed" and audio as well from after I left the residence where Marco let in Tiffini Vann, Samuel Brinkley, Tatianna Poe, and witnesses on how they sliced, stomped, broke, almost all of my belongings before my cameras (for my family) were destroyed.

I really hope this was about enough statement to get my house and my life back. I also included the (UD) eviction paperwork on why this young man has been evicted as well.

I told Sgt. Bedner when she came out to serve the respondent @ the time of the residence of 705 Dayton Ave I was going to cancel it due to the respondent not being present @ the time and I thought he wasn't coming back and also I had filed for the eviction. I assumed me and my 13 year old daughter would be safe from harm. On 03/20/24 the respondent had texted my phone ~~saying~~ stating to me he needed to come grab his clothes, he didn't give a time. But I responded letting him know that I wasn't home but would be later that evening. My neighbors called the police so he could be removed from the property.
