No organization can be endorsed by City to operate at address until after the Gambling Location license issued and it could change anytime thereafter so license approval or suitability of site should not be based on the potential lawful organization organization. However, the Hill Murray Father's Club recently began operations at the site under the current license holder and intends to continue at site under the applicant if they are issued the license.

Tom,

Please provide Nhia the name and a brief description of the charitable gambling organization that will be managing gambling at Cheers Pub – 1067 Hudson Rd.

Thanks,

Eric
