Hi Rashad,

Thank you for reaching out.

Could you please provide your address so we can access the hearing information we have on file?

You are probably aware that you are allowed to come to the City Council meeting to testify directly to all City Council members. You will have 2 minutes to speak.

Unfortunately, Councilmember Bowie will not be able to speak to or hear from you prior to the council meeting, due to ex parte communication rules.

If you have questions about participating in the city council meeting, or need help with anything else, please reach out to me, Pierre or the Legislative Hearing team (both CC'd on this email).

Good morning,

I had a legislative hearing with DSI and city officials back in December. It was stated that our

property could have gravel or asphalt - I have the recording as proof.

However, now they're saying that they didn't state that, and the property is not in compliance. Again - the hearing was recorded. I have attached it for your reference - at the 7:30 minute mark - 8:30 minute mark, and again at about the 9:25 minute mark - you will hear Marsha and Lisa mention gravel or asphalt as the surfaces we can use.

I just had a call with Marsha Mormand and Lisa Martin, - Marsha was very rude, combative, and dismissive. I would like to follow up on this with Council member Bowie as soon as possible. Marsha stated that the property will be brought to the council next Wednesday at 330pm for non compliance.

Thank you,
