Hello Mr. Thao,

I want to inform you that Inspector Allan Vang came to the property and took some updated photos related to the Summary Abatement Order issued which the Legislative Hearing Officer granted until May 8 for compliance. He found that the items were removed and you are now in compliance. Therefore, I will not call you into the hearing scheduled for tomorrow via remote per Joanna Zimny's letter dated May 8th.

The City Council will proceed with the decision that the nuisance is abated, and matter resolved at their May 27th meeting.

Thanks,

Mai Vang
