Hello Mai,

I wanted to follow up my voicemail with a quick email as well to let you know we have completed the smoke detectors and all items but the Permit required repairs along with not having been able to get the pictures you requested or the floor plan drawing. The reason is that while I was out of town, Daniel Ward had family medical issues that required Daniel to be in Rochester at the Mayo Clinic. We will have the pictures and floor plan to you via email within the next couple days per your last emailed request below. We apologize for the delay and we appreciate your understanding.

Best Regards,

Jeff Martinson
